Request #	Applicant – sail #	Request (original text)	Crew to weigh late or replace	Substitute crew	Decision of the RC and IM24CA
1	ITA636	I'm gonna be busy on Garda's lake because of other races until the 4th of September, which is the last day for the crew weight in Hyeres. Is there a chance for me to be weighted alone on the 5th, in the morning before the race?	Matteo Ivaldi		Accepted to have a late crew weigh on September 5th in the morning.
2	DEN779	One of our crew member is arriving Sunday/Monday night. Is it okay to do the crew -weigh Monday morning before the first race?			Accepted to have a late crew weigh on September 5th in the morning.
3	NOR787	One of my crew (Mr. Eivind Rubinstein) is busy with his daughter's communion on Sunday the 4th of September, this makes it impossible for him to reach Hyeres in time for Mondays racing but he will be ready for Tuesday. Please accept our request to have Mr. Petrus Eide substitute Rubinstein on Monday 5th of September.	Eivind Rubinstein	Petrus Eide	Accepted to have a late crew weigh on September 5th in the morning and replace a crew.
