

Austrian Melges24 Class Association 2012

The year 2012 was characterized by a lot of activities in the Austrian Melges class with 9 boats with full memberships and a lot of racing activities.

RACES 2012

Austrian Championships were held at lake Attersee end of May/beginning of June 2012 with approx. 20 boats on the starting line.

Also a new event has been created at lake Wolfgangsee (Edelweiß Trophy) and our intention is to establish this 2nd event in long-term.

Austrian crews frequently traveled to international events with the highlight of the World Championships in Torbole where 5 boats were competing.

PROGRAM 2013

For 2013 first indications are positive as some of the European Cup venues are known by a lot of sailors in the Austrian fleet.
