

## **Austrian Melges24 Class Association 2013**

The year 2013 was characterized by a lot of activities in the Austrian Melges class with 7 boats with full memberships and a lot of racing activities.

### **RACES 2013**

---

Austrian Championships were held at lake Attersee at beginning of June 2013. Unfortunately there were only 9 boats on the starting line due to very bad weather conditions.

A second race happened at lake Wolfgangsee (Edelweiß Trophy).

Austrian crews frequently traveled to international events including the European Championships in Medemblik.

### **PROGRAM 2014**

---

We have already an agreement with the SCK at Attersee for the Austrian Open 2014 and with Union Yacht Club Wolfgangsee for the Edelweiß Trophy 2014.

As lake Balaton is close to Austria we expect a bigger fleet to participate in the European Championships.

November 2013

Michael Schineis, Chairman
