

25-September-2015

Canadian Melges 24 Class Association submission for IMCA AGM 2015.

1. World Championship 2018 bid.

The Royal Victoria Yacht Club is pleased to submit a bid to host the 2018 Melges 24 World Championship. Building on the success of the well-attended and very well received 2014 Melges 24 Canadian Championship we propose to hold the Worlds off the Victoria waterfront with tentative dates set for May 31st - June 8th. These dates are negotiable however the Organizing Authority believes these dates will be optimal for wind conditions and currents. We are currently in negotiation with the Greater Victoria Harbour Authority to secure a spectacular downtown regatta venue which would be ideal for both competitors and sponsors alike. A formal bid package will follow shortly with further details as required by the IMCA Regatta Regulations.

Sincerely,
Dan Berezin
CMCA Secretary
