Piret & co,

On behalf of Helsingfors Segelklubb r.y. and the entire Finnish Melges 24 Fleet we are pleased to announce our bid for the 2017 Melges 24 World Championship.

Looking forward to get the 2017 competitions handled in the upcoming AGM. In this economical situation we need the time to make the preparations and sponsorship deals. And most of all remembering the AGM 2013 promises of Finland getting the next championship competition after losing to Middelfart☺

Please confirm that our bid has been received.

Best regards,

Tomi
