

Melges 24 German Class Association

Class Report 2017

Full members: 32

Associate members: 21

We try to bring our boats to international regattas which worked well in Helsinki and Luino. Our national circus was not well frequented. Sailors want to have a good event at a nice location in warm conditions. Everybody must travel and because of this they prefer a nice event which is well hosted. The fleet in south Germany is stronger and bigger as the north one. Therefore we hope for a little push with the announced schedule for 2018 in Europe.

Michael Tarabochia

President of the Melges 24 German class
