

Canadian Melges 24 Class Association

GINA BORZA

Experience

- Former US Melges 24 Class Association, Pacific Northwest District Governor
- Melges 24 Fleet Captain, Vancouver, BC, Canada

About:

Gina actively has been involved in the yacht racing community for over 15 years which has included racing in several one-design fleets, inshore and offshore sailing, and volunteering for sailing events both locally and internationally. Recently she has focused on supporting the development and coordination of the Melges 24 community in the Pacific Northwest of Canada and the United States. A member of the Royal Vancouver Yacht Club, Gina is committed to working with others to help promote competitive, fun, and safe yacht racing.

Professionally, Gina has extensive management experience in the health, education, and non-profit sectors. Currently, she is a Director within Finance and Administration for one of Canada's largest non-profit organizations, primarily responsible for accountability and performance monitoring and evaluation of the organization's fund development objectives and social impact investments (approx. \$30M).
