

Monsieur Riccardo SIMONESCHI
IMCA. President

Ref: TD/RB, 2011-339
Hyères, November, 16th, 2011

Dear President,

It is the COYCH's pleasure to submit its application as organizing Yacht club for the World Melges 24 Class Championships 2014 or 2015.

This World Championship could be held in September like the world 2006

We intend to develop even more the facilities for the competitors, their teams and their families beforehand and also to organize training sessions.

Our Manager, Mr Régis BERENGUIER and myself remain open to all suggestions and remarks on your part that might help us to improve the quality of this event.

Our club have organized in the past several continental and World championships for your class but also for Olympic classes (Laser and Star, Farr 30, Longtze,...).

We shall of course benefit from the support of the whole local government and particularly the city of Hyères, Var Departement, Région PACA but also of private partners so that this event may be held in the best conditions.

We shall benefit also from the support of the French Federation and French class association.

I thank you in advance for the care you will grant this candidature and we wait answer of the world council.

Best regards,

The Manager
Régis BERENGUIER

The President,
Thierry DUPONT
