d. 19. September 2012

I hereby confirm as Chairman for the Danish Melges 24 Association that we support the application from Sailing Aarhus in their pursuit of arranging either the Worlds or the Europeans for the Melges 24 class in 2014.

We as a class organization are confident that Aarhus Sailing are capable of arranging this event and with the Europeans in 2011 in mind we have no concerns in promoting Aarhus as a venue for the championship.

With best regards

Rasmus Melsen
Chairman
