Hi Piret!

In the Yacht Club Portoroz we are interesting to organize one race for European Sailing Series in season 2015. We propose same date as this year and that is 27th March to 29th March 2015. We will combine this race with Slovenian National Championship Melges 24. Please, be so kind and check if this is OK. The organizers will be YCP, SIMCA Slovenian Melges 24 Class Association and Marina Portoroz.

Thank you and please, let me now about possibilities.

Kind regards
