Title of the motion,
amendment, nomination

F.3.2(a) CONSTRUCTION

Topics concerned

	Constitution		Events
x	Class Rules		Technical Issues
	Regatta Regulations		General Policies
	Nomination		

Current Rule:

F.3.2(a). The spar shall be built from approved moulds approved by the Copyright Holder and World Sailing and to the approved building specification.

Proposed New Rule:

F.3.2(a). The spar shall be built to the approved building specification.

Reason:

The class rules need to allow for both closed mould and spiral wound spar construction techniques.
