

INTERNATIONAL MELGES 24 CLASS ASSOCIATION

### Boat and Appendage Repair Approval Form

Before commencing work, all repair work shall be approved by the IM24CA Technical Committee Chair or Class Chief Measurer.

Pictures and a complete description of the work shall be provided. Photos of the repair process shall be provided and submitted for sign-off upon completion before the boat is approved for One Design Racing. Pictures and descriptions may be placed in the Boat Repair section on the class website.
