### **Subject: Letter of Intention to Host the Melges 24 Class World Championship 2027 in Croatia**

Dear IM24CA World Council members,

On behalf of the Croatian Melges 24 Class Association, I am pleased to formally express our intent to host the Melges 24 Class World Championship 2027 in Croatia. Croatia has a strong sailing tradition and a proven record of organizing high-level international regattas, making it an ideal destination for this prestigious event.

#### **Venue**

At this moment, we are not in a position to provide a venue. The exact venue will be confirmed as soon as possible, but at the latest, by May 2026.

We can assure you that any location on the Croatian Adriatic coast offers exceptional sailing conditions, well-equipped marina and club facilities, and a welcoming atmosphere for sailors worldwide. The steady wind patterns, scenic coastline, and strong local sailing community will ensure a competitive and enjoyable championship.

#### **Dates**

Our intention for the Championship is to take place between the end of May and the beginning of June. The exact dates will be confirmed as soon as possible, but at the latest, by May 2026.

Please let us know the next steps and any additional information you may require from our side. We eagerly await your feedback and are ready to proceed with the necessary preparations.

Thank you for your consideration.

Kind regards,  
Luka Šangulin  
Class President
