Expression of Interest for Hosting the 2027 Melges 24 World Championship

Dear IM24CA,

On behalf of the Italian Melges 24 Class Association, I am pleased to formally express our strong interest in hosting the 2027 Melges 24 World Championship.

We are currently in discussions with several internationally renowned yacht clubs that have expressed keen interest in submitting their formal bid to IM24CA by the end of September. These clubs offer world-class facilities, exceptional race management expertise, and ideal sailing conditions.

We appreciate your consideration of our expression of interest and look forward to discussing this opportunity further.

Thank you for your time and support.

Best regards,
